- 1) Each renewal applicant shall certify, on the renewal application, full compliance with the CE requirements set forth in subsections (a) and (b).
 - 2) The Division may require additional evidence demonstrating compliance with the CE requirements (e.g., certificates of attendance). This additional evidence shall be required in the context of the Division's random audit. It is the responsibility of each renewal applicant to retain or otherwise produce evidence of compliance.

The Board shall review and recommend approval or disapproval of the program using the criteria set forth in subsection (c)(3) of this Section.
- f) **Restoration of Nonrenewed License**
Upon satisfactory evidence of compliance with CE requirements, the Division shall restore the license upon payment of the fee required by Section 1300.30(c)(1).
- g) **Waiver of CE Requirements**
- 1) Any renewal applicant seeking renewal of a license without having fully complied with these CE requirements shall file with the Division a renewal application, along with the required fee set forth in Section 1300.30(b), a statement setting forth the facts concerning noncompliance and a request for waiver of the CE requirements on the basis of these facts. A request for waiver shall be made prior to the renewal date. If the Division, upon the written recommendation of the Board, finds from the affidavit or any other evidence submitted that extreme hardship has been shown for granting a waiver, the Division will waive enforcement of CE requirements for the renewal period for which the applicant has applied.
 - 2) Extreme hardship shall be determined on an individual basis by the Board and be defined as an inability to devote sufficient hours to fulfilling the CE requirements during the applicable prerenewal period because of:

 - 5) Any renewal applicant seeking renewal of the license or certificate without having fully complied with these CE requirements shall file with the Division a renewal application, a

statement setting forth the facts concerning the noncompliance, a request for waiver or extension of the CE requirements on the basis of those facts and, if desired, a request for an interview before the Board. If the Division finds, based on the statement or any other evidence submitted, that good cause has been shown for granting a waiver or extension of the CE requirements, or any part of those requirements, the Division will waive enforcement of the requirements for the renewal period for which the applicant has applied.

- 6) Good cause shall be defined as an inability to devote sufficient hours to fulfilling the CE requirements during the applicable prerenewal period because of:
 - A) Full-time service in the Armed Forces of the United States during a substantial part of the renewal period;
 - B) A temporary, incapacitating illness documented by a licensed health care provider. A second consecutive request for a CE waiver pursuant to this subsection (g)(6)(B) shall be prima facie proof that the renewal applicant has a physical illness, mental illness or other impairment, including without limitation deterioration through the aging process, mental illness or disability that results in the inability to practice the profession with reasonable judgment, skill and safety, in violation of the Act, and shall be grounds for denial of the renewal or other discipline;
 - D) Temporary undue hardship (e.g., hospitalization, being disabled and unable to practice on a temporary basis).
- 7) If an interview is requested at the time the request for waiver or extension is filed with the Division, the renewal applicant shall be given at least 20 days written notice of the date, time and place of the interview by certified mail, return receipt requested.
