Director  
Division of Professional Regulation

### Illinois RN Continuing Education Frequently Asked Questions (FAQs)

The Department has received many inquiries regarding continuing education and in particular the upcoming Registered Professional Nurse (RN) license renewal by May 31, 2020. The questions and answers listed below will hopefully provide some clarification. Please note that a complete copy of the Nurse Practice Act and the Rules may be found on the Department's website ([www.idfpr.com](http://www.idfpr.com)) or on the Center for Nursing's website (<http://nursing.illinois.gov>).

1. What are the CE rules for RNs who are renewing their license by May 31, 2020?  
A: Below is an excerpt from the official rules regarding continuing education:

Rules for the Administration of: The Nurse Practice Act: Section  
1300.130 Continuing Education

a) Continuing Education (CE) Requirements

1) As required by the Act, all nurses shall complete continuing education as follows:

...

A) Beginning with the May 31, 2012 renewal, **all registered professional nurses** shall complete 20 hours of approved continuing education per 2 year license renewal cycle.

2. During what time period must the Continuing Education (CE) be completed?
  - a. All CE courses must be completed in the 24 months preceding expiration of the license. For the upcoming 2020 RN renewal, all CE must have been completed between June 1, 2018 and May 31, 2020.
3. This is my first time renewing my IL RN license – do I need to complete 20 hours of CE prior to May 31, 2020?
  - a. No, a renewal applicant shall not be required to comply with CE requirements for the first renewal of an IL RN license.
4. I completed continuing education hours for my nursing license in another state, will I be able to use those same completed courses for IL RN re-licensure CE courses?
  - a. Yes, CE hours used to satisfy the CE requirements of another jurisdiction may be applied to fulfill the CE requirements of the State of IL for RN re-licensure per Section 1300.130(a)(6).
5. Are there different ways to earn CE hours for Illinois RN renewal?
  - a. CE hours for RN re-licensure shall be earned by verified attendance or participation in a program or course that is offered or sponsored by an approved CE Sponsor. Per the

(2014-10) This document is to be construed as an informal statement reflecting the interpretation of the Department on the particular matter you described and is not intended as an official opinion of the State of IL. Only the Attorney General of the State of IL is empowered to render formal opinions concerning the laws of this State.

Rules, CE may be earned through a variety of ways including but not limited to in-person classes or seminars, academic classes, teaching CE courses or publication.

6. How do I know if the sponsor is approved or licensed? Is there a list of approved CE Sponsors and Programs for Illinois RN re-licensure in 2020?

CE sponsors must either be pre-approved per Rule 1300.130, or must have a CE sponsor license. There is no single list of valid CE sponsors.

- a. The list of pre-approved CE Sponsors and Programs is in the Rules for the Administration of the Nurse Practice, Section 1300.130: c) Pre-Approved CE Sponsors and Programs

- 1) Sponsor, as used in this Section, shall mean:

- A) Approved providers of recognized certification bodies as outlined in Section 1300.400(a).
- B) Any conference that provides approved Continuing Medical Education (CME) as authorized by the IL Medical Practice Act
- C) American Nurses Credentialing Center (ANCC) accredited or approved providers.
- D) Illinois Society for Advanced Practice Nursing (ISAPN).
- E) American College of Nurse Practitioners.
- F) American Academy of Nurse Practitioners.
- G) Nurse Practitioner Association for Continuing Education (NPACE).
- H) American Association of Nurse Anesthetists.
- I) National Association of Clinical Nurse Specialists (NACNS).
- J) American College of Nurse Midwives.
- K) Providers approved by another state's board of nursing.
- L) Nursing education programs approved under Section 1300.230 or 1300.340 wishing to offer CE courses or programs.
- M) Employers licensed under the Hospital Licensing Act [210 ILCS 85] or the Ambulatory Surgical Treatment Center Act [210 ILCS5].
- N) Any other accredited school, college or university, or State agency that provides CE in a form & manner consistent with this Section.

- b. To look up whether an organization holds a license as an IL Nursing CE Sponsor, go to the IDFPR website, License Look Up: type in: Nurse CE Sponsor: <https://www.idfpr.com/LicenseLookUp/LicenseLookup.asp> , then type in the name of the organization.

7. Are there equivalencies for Continuing Education CE?

- a. 1 contact hour = 60 minutes
- b. 1 contact hour = 1 CE
- c. 1 academic semester hour = 15 contact hours/15 CE
- d. 1 academic quarter hour = 12.5 contact hours/12.5 CE
- e. 1 CME = 1 contact hour/1 CE
- f. 1 CNE = 1 contact hour/1 CE
- g. 1 AMA = 1 contact hour/CE

Only the Attorney General of the State of IL is empowered to render formal opinions concerning the laws of this State.

8. What academic credits may be used to fulfill CE requirements for Illinois RN re-licensure in 2020?
  - a. Academic credits may be used to fulfill CE requirements if the course content is consistent with subsection (c) (3):
    - i. all programs shall: A) contribute to the advancement, extension and enhancement of the professional skills and scientific knowledge of the licensee in the practice of nursing; B) foster the enhancement of general or specialized nursing practice and values; C) be developed and presented by persons with education and/or experience in the subject matter of the program; D) specify the course objectives, course content and teaching methods to be used; and E) specify the number of CE hours that may be applied to fulfilling the IL CE requirement for IL license renewal.
  - b. Courses that may not be used are degree core or general education credits such as English, literature, history, math, music and physical education.
9. If a CE course is approved by another State Board of Nursing, and that course has been completed in the required time period for IL RN re-licensure in 2020, will those CE credits be eligible for IL RN re-licensure in 2020?
  - a. Yes, as indicated Section 1300.130 (c) (1) (L).
10. What if a CE course was taken on-line or through a nursing journal, may these CE credits be used for IL RN re-licensure in 2020?
  - a. If the independent study course, such as home study program, articles from journals, and other health discipline independent study modules that is approved for CE credits is an approved CE Sponsor as listed in the Rules for the Administration of the Nurse Practice, Section 1300.130 c), or the sponsor has a CE license, then yes, the CE credits as listed on the document of course completion may be used towards IL RN re-licensure in 2020.
11. Will completion of a skills certification course be used towards IL RN re-licensure in 2020?
  - a. Up to 5 CE hours may be earned for completion of skills certification courses. A maximum of 2 hours in cardiopulmonary resuscitation certified by the American Red Cross, American Heart Association, or other qualified organization may be accepted, while a maximum of 3 hours may be accepted for certification or recertification of Basic Life Support for Healthcare Providers (BLS), Advanced Cardiac Life Support (ACLS), or Pediatric Advanced Life Support (PALS) or their equivalent.
12. Will I have to provide copies of CE course completion documents for IL RN re-licensure in 2020?
  - a. Each licensee is responsible for maintaining records of completion of continuing education and shall be prepared to produce the records if requested by the Department.
13. What is the fee for IL RN license renewal in 2020?
  - a. The fee for the renewal of a professional nurse license shall be calculated at the rate of \$40.00 per year, or \$80.00 at the time of IL RN re-licensure in 2020.
