Illinois RN Continuing Education Pre-Approved Sponsor Information

The rules set forth a large number of organizations that are considered “pre-approved” sponsors. These organizations do not have to obtain a CE sponsor license from IDFPR but must still comply with the standards and requirements regarding content, certificates, etc. Below is a partial list of pre-approved sponsors. If the sponsor is listed in the section below, then the courses may be used for IL RN re-licensure in 2020. Each licensee is responsible for maintaining records of completion of continuing education and shall be prepared to produce the records if requested by the Department.
