In response to the COVID-19 pandemic, Gov. JB Pritzker has ordered Illinois residents to stay at home. [Executive Order No. 10](#) requires all residents to stay home, with exceptions for essential needs or business activities. Gatherings of ten people or more are prohibited. For guidance, testing questions, additional information or questions, please contact your local health department. If your local health department is not available, please contact the IDPH Communicable Disease Section at 217- 782-2016. The IDPH after hours number 800-782-7860.

If you are not currently receiving alerts from the State of Illinois Rapid Electronic Notification (SIREN), you can complete the self-registration at <https://www.siren.illinois.gov/> to receive importation future notifications from the Illinois Department of Public Health. If you need assistance completing the registration process, please contact dph.siren@illinois.gov

[COVID-19 Call for Support:](#) In the COVID-19 event, Illinois is looking for medically trained individuals to join the fight. Individuals that register here may be potentially contacted to work in a hospital surge or alternative housing setting. <https://www.illinoishelps.net/>

[What if I don't have a medical background but want to volunteer during COVID-19?](#) The website www.serve.illinois.gov is the state's Commission on Volunteerism and Community Service, Serve Illinois. There will be consistently updated opportunities to volunteer that are received by the state. At this time, we only intend to activate medical professionals through the Illinois Helps system, but anyone can register in the system for future opportunities. Please remember the most important thing we can do to stop the spread of COVID-19 is to stay home and practice good social distancing.

To print your license or download an electronic copy to your phone: use the icon under the blue, middle of the IDFPR homepage. www.idfpr.com .
