JB PRITZKER
Governor

MARIO TRETO, JR.
Secretary

CAMILE LINDSAY
Director

NAME OF EDUCATIONAL INSTITUTION:	Chicago State University School of Nursing
POSITION:	Associate Professor Tenure Track
Is this a chief nursing officer or director of nursing position?	No
RESPONSIBILITIES:	<p>All faculty positions are governed by the tenets of a collective bargaining agreement. Faculty are hired, evaluated, retained, promoted, and tenured based on conditions covered in the union contract. Primary duties include teaching and related activities assigned during a 9- or 12-month year. It is expected that each Tenure Track (TT) faculty member will engage in all three activities of teaching, scholarship- including research, and service.</p> <p>Teaching: Tenure Track (TT) faculty members are expected to teach four to six courses per year; develop syllabi, teaching materials, organize, analyze and present knowledge or materials related to courses taught; and collaborate with other faculty in the development of new courses and/or programs. In addition, faculty advise students, participate in professional development activities to be current in nursing and nursing education, as well as engage in assessment activities related to accreditation and program evaluation.</p> <p>Research: TT faculty members are expected to engage in scholarly activity including research and/or other scholarly activities germane to nursing practice and nursing education, which results in publications and material as works in refereed, professional or general readership publications; submit and receive externally awarded grants; and, submit present at academic and professional conferences</p> <p>Service: Faculty members are expected to serve on committees, programs, and/or special task forces at the department, college, university, professional, and community levels; assume leadership roles over time and as they increase in rank. These activities are not for compensation and have a relationship to the employees' assigned responsibilities and to the university.</p>
MINIMUM QUALIFICATIONS:	Masters in nursing from an accredited nursing program; doctorate in nursing or related field from an accredited university; candidates enrolled in doctoral programs will be considered. Licensed or eligible for registered nurse licensure in the State of Illinois; at least

	three years of previous professional nursing practice experience; demonstrated teaching skills; expertise in basic nursing skills, health assessment, and care of adult patients across the life span and continuum of care; leadership; skilled in evidence-based practice.
PREFERRED QUALIFICATIONS:	Experience in academia, teaching at the baccalaureate level; record of scholarly activities
