RE: REMOTE ADVISORY BOARD BUSINESS MEETING
Wednesday, October 20, 2021, START TIME 11:00 A.M.

The October 20, 2021 meeting of the Illinois Nursing Workforce Center Advisory Board of Directors will not have a physical location for participants or the public because it is unfeasible to meet in person due to the gubernatorial disaster declaration currently in place.

The Illinois Nursing Workforce Center Advisory Board will convene for a meeting commencing at 11am CT on October 20, 2021. This meeting is being conducted by audio or video conference without the physical presence of a quorum of the members because the Governor of the State of Illinois has issued a disaster declaration related to public health concerns and an in-person meeting is not practical or prudent because of the disaster described in that declaration. This meeting is further being conducted by audio or videoconference because the Secretary of the Illinois Department of Financial and Professional Regulation has determined pursuant to the provisions of Section 7 of the Open Meetings Act (5 ILCS 120/7) that an in-person meeting is not practical or prudent because of a disaster.

This meeting will only be conducted remotely, and members of the public are encouraged to attend by accessing the meeting via the interactive webinar. Instructions for remote attendance are contained on the attached agenda for the October 20, 2021 meeting.

To ensure the presence of a quorum, I request you advise me three (3) days in advance of the meeting date if you are unable to attend. My email is linda.b.roberts@aillinois.gov
