Beck School of Practical Nursing at Career Center of Southern Illinois	On going review done with conversion of clock hour program to credit hour program prior to approval by governing bodies and as new semesters occur adjustments are made
Black Hawk College ADN	Using the ACEN accreditation criteria for our program unit plan to be evaluated yearly.
Blessing-Rieman College of Nursing and Health Sciences BS (Ladder)	The curriculum is evaluated and revised according to the timetable in the College's Systematic Plan for Evaluation. The timetable includes an annual review to ensure course content is up-to-date, when NCLEX-RN pass rates are below the program's benchmark, when the NCLEX-RN test plan is revised, and every three years for a major review and revision. The curriculum is also reviewed and revised as needed to make improvements based on data from course and instructor evaluations and exiting senior, graduate, and alumni surveys. The primary tool for curriculum review is content mapping based on the NCSBN test plan, BSN Program curriculum objectives, the AACN Essentials, QSEN competencies, ANA Standards, concepts from the program's curriculum framework, and Board of Nursing standards for the curriculum. Evaluation and revision of the curriculum includes meeting benchmarks for program effectiveness as determined by NCLEX-RN pass rates for first-time testers; retention, progression, and program completion rates; employment rates for new graduates; graduate exit, alumni one-year post-graduation, and employer surveys.
Blessing-Rieman College of Nursing and Health Sciences PN (Ladder)	The curriculum is evaluated and revised as a part of the BSN Program according to the timetable in the College's Systematic Plan for Evaluation. The timetable includes an annual review to ensure course content is up-to-date, when the NCLEX-PN test plan is revised, and every three years for a major review and revision.
Bradley University BS	The Program Evaluation committee keeps a current Nursing Systematic Evaluation Timeline Plan, which details what each committee, faculty, and staff role is related to overall department compliance in regards to state and federal and accreditation guidelines.
CAAN Academy of Nursing ADN	The Curriculum Development Committee provides bi-annual reviews with revisions conducted as required. The review emphasizes the plan for an ongoing, comprehensive assessment of the end-of-program student learning and program outcomes. The plan includes assessments of the course length, time of delivery, frequency of data collection, and frequency of evaluation for each end-of-program student learning outcome and program outcome. It may also include documentation of the plan's implementation (data evaluation) which monitors the student's achievement with the curriculum identifying the end-of-program student learning outcomes which promotes critical thinking in a way that supports the patient holistically.
CAAN Academy of Nursing PN	An annual review takes place identifying four fundamental items; the educational goals, learning experiences, learning organizations and evaluation of the students overall learning experience.
CALC Institute of Technology PN	Students complete faculty, course, and clinical evaluation forms and data is analyzed for changes to curriculum, faculty development, and clinical revisions. Faculty meetings are held after each term for revisions.
Capital Area School of Practical Nursing	Monitor EPSLOs, completion rates, NCLEX pass rates, Job placement rates
Carl Sandburg College ADN	ACEN standard 5 is broken into EPSLOs: Safety, Patient-centered care, Teamwork/Collaboration, Critical Thinking & Clinical Judgement, Evidence-Based Practice, Informatics, Program completion rate, Licensure Pass Rate, Job placement rate. Each EPSLO is evaluated yearly by plan (assessment methods, expected levels of achievement, data collection) and implementation (results of data collection and analysis and actions for program development, maintenance, or revision)

Oakton Community College ADN (Ladder)	Student Learning Outcomes and End of Program (SLOs) and Program Outcomes (POs) with expected Levels of Achievement
Olivet Nazarene University BS	We complete a yearly Evaluation Plan that is based upon the CCNE Essentials. This includes end of course and end of program survey results, NCLEX and Nurse Practitioner pass rates, employment rates, etc. We compile evidence for each standard and write an overview of how we meet each standard/substandard each year.
Parkland College ADN	Every year we evaluate our program based on the outcomes of 7 components: Spirit of Inquiry, Nursing Judgement, Human Flourishing, Professional Identity, NCLEX pass rates, Program Completion, and Job Placement.
Parkland College PN	n/a
Prairie State College ADN	At each monthly faculty meeting elements of the curriculum are reviewed and discussed. . The changes are reflected in the meeting minutes.
Rasmussen University ADN	The SEP assists faculty in the determination of program effectiveness. The faculty utilize the data to continuously improve the program outcomes and student learning outcomes.
Rend Lake College ADN (Ladder)	End of Program Student Learning Outcomes EPSLO #1 Demonstrate clinical judgement to provide individualized, holistic, culturally diverse, patient-centered care to individuals, family and community across the lifespan. EPSLO #2 Collaborate effectively with the interdisciplinary team and client system in the healthcare continuum. EPSLO #3 Utilize evidence-based practice for nursing interventions that are appropriate for diverse populations with multi-faceted healthcare needs across the lifespan
Rend Lake College PN (Ladder)	Same as the ADN program because there is no separate program, only the option to take an extra class in the summer to sit for LPN NCLEX.
Richland Community College ADN	Program review yearly and 10th month review of outcomes
Richland Community College PN	Curriculum and learning objectives are reviewed annually. Changes are introduced to the Academic Standards Committee for review and approval.

<u>Program Name</u>	<u>Description of Systematic Evaluation Plan</u>
Rock Valley College ADN	We have 4 End of Program Student Learning Outcomes (EPSLO). EPSLO 1 & 3 are reviewed on the even years, EPSLO 2 & 4 are reviewed on the odd years. Program Outcomes are reviewed annually (NCLEX pass rate, completion rate, employment)
Rockford Career College PN	Quarterly curriculum calls and annual review of curriculum
Rockford University Dept. Of Nursing BS	The systematic program evaluation plan (SPEP) aligns course level student learning outcomes (CLSLO) to the end of program student learning outcomes (EPSLO). Within courses, key assessment strategies are identified for each CLSLO including assessment frequency and the expected level of achievement (ELA). Faculty gather data during the fall and spring semesters and then report the course data at the end of the academic year to the Assessment and Outcome committee for analysis and recommendation.
Roosevelt University BS	The PEP is organized by the CCNE key elements. For each element, the nursing program has written strategies, Expected Levels of Achievement (ELAs)(expected), data sources, and frequency of data collection
Rosalind Franklin University Masters Entry into Nursing Practice Program	Curriculum is reviewed by students and faculty quarterly and annually to ensure that course objectives and program competencies are being met.
Rush University MSN	The MSN Curriculum Committee has a robust course approval process which demonstrates alignment between course objectives, content and assessments. The committee monitors each course in a systematic review cycle. We also have an evaluation committee which provides oversight for course evaluations.
Saint Anthony College of Nursing BS	In line with CCNE requirements, the systematic assessment and evaluation plan evaluates program curriculum, resources, and outcomes on a regular basis and uses the findings to make recommendations and improvements.
Saint Francis Medical Center BS	3 year review of curriculum
Saint Xavier University BS	Our SEP is aligned with CCNE standards and a committee has oversight of this document to ensure there is oversight of meeting these standards.
Sauk Valley Community College ADN	We have a Program Review committee. The program is reviewed every five years and then is presented to the Institutional Effectiveness Committee.
Sauk Valley Community College PN	We have a Systematic Plan of Evaluation to assess achievement and outcomes.
Scott School of Careers PN	Faculty, and staff under the leadership of the administrator review curriculum quarterly to make updates to plan based on evidence based practices and nursing regulation changes/updates.
Shawnee Community College ADN	Shawnee Community College's Associate Degree Nursing program systematically evaluates student learning outcomes using various assessment tools to ensure continuous improvement and alignment with professional standards. Annual data analysis informs program revisions, maintaining high standards in communication, cultural awareness, problem-solving, and evidence-based practice.
Shawnee Community College PN	Shawnee Community College's Practical Nursing program systematically evaluates student learning outcomes using various assessment tools to ensure continuous improvement and alignment with professional standards. Annual data analysis informs program revisions, maintaining high standards in communication, cultural awareness, problem-solving, and evidence-based practice. Adjustments are made as needed based on data trends, feedback, and ongoing curriculum revisions to ensure standards are met and students succeed in their preparation for the NCLEX-PN and becoming competent, entry-level nurses.
South Suburban College ADN	The plan is to review 2 to 3 of the end of the program student learning outcomes each year using 2 or more assessment measures. The plan also includes key program measures that are collected and reported annually.
Southeastern Illinois College ADN	The college, including the nursing program, does an annual assessment of each program at the beginning of the academic year and an evaluation at the end of the academic year.

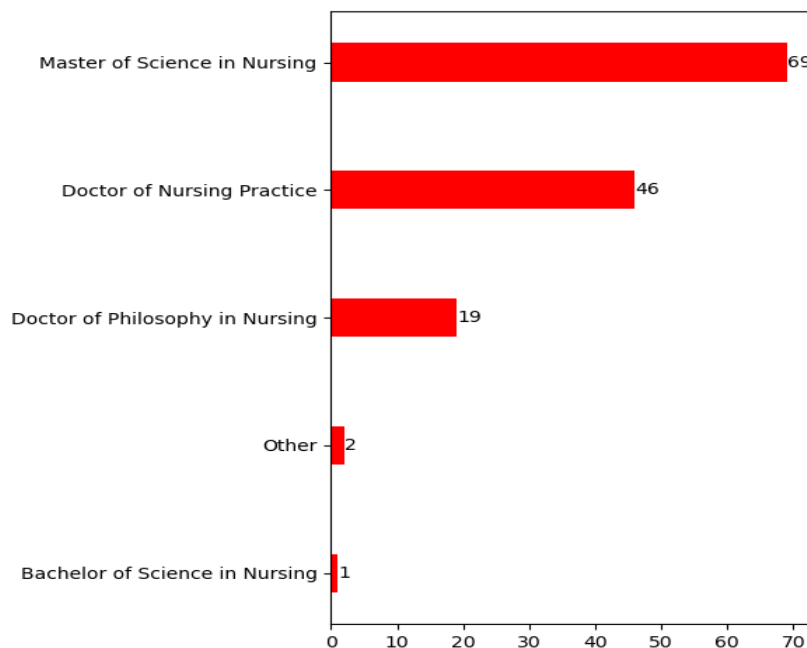

<u>Program Name</u>	<u>Description of Systematic Evaluation Plan</u>
Southeastern Illinois College PN	The college including the nursing program does an annual assessment of the program at the beginning of the academic year with an evaluation at the end of the academic year.
Southern Illinois University BS (Edwardsville)	SIUE's Systematic Evaluation Plan (SEP) is built on our accrediting body, CCNE's standards. The components focus on curriculum development, curriculum structure to achieve expected student outcomes, teaching-learning practices and the environment that supports student outcomes, clinical experiences, and assessment strategies. The SEP is reviewed by faculty at a minimum annually.
Southern Illinois University Carbondale	We have an annual systematic review completed based on CCNE accreditation guidelines.
Southwestern Illinois College ADN	Evaluate each course for meeting objectives as well as end-of-program student learning outcomes.
Southwestern Illinois College LPN	Annual program assessment within the institution allows for evaluation of the curriculum.
Spoon River College ADN (Ladder)	The purpose of the SPE is to put into practice a means of continuous monitoring and quality improvement of the Nursing Program in relation to the end-of-program EPSLOs. Our Program outcomes include: 1) Pass Rates - 80% of all first-time test takers will pass NCLEX RN; 2) Completion Rates - 50% of students will complete the program in 100% of the allotted time (4 semesters); and 3) Job Placement - 90% of RN graduates will be employed as an RN within one (1) year

St. John's College of Nursing BS	At the end of fall and spring semester, we hold a two day retreat, where faculty review their course outcomes and we measure achievement of end of program student learning outcomes. Faculty also review student course evaluations and make appropriate changes based on feedback. Faculty development also occurs at this time, with a variety of topics as options.
State Career College PN	Yearly Annual Curriculum Review. Impromptu individual instructor conference to discuss teaching resource materials.
Trinity Christian College BS	Annual review of program that aligns with our 3 year assessment cycle; annual review as required by CCNE accreditation looks at student retention and graduation, NCLEX pass rates, departmental goals, and faculty goals/outcomes. Data collected regarding student and alumni perceptions of attainment of Learning Outcomes annually. Every 3 years an assessment report submitted to college; every 5 years a report to CCNE; every 10 years a CCNE visit
Trinity College Department of Nursing	Every course follows an approved course guide that has been developed by nursing and approved by the college Curriculum Committee. The nursing chair assures syllabi follow the course guide. Students complete course and faculty evaluations for each course. Faculty complete a formal Course Summary of each course which is reviewed by a peer then presented to the nursing department. Potential changes to course guides are discussed and must be approved by the dept. and Curriculum Committee.

Triton College ADN	We do a required program review that is mandated by ICCB every 5 years. We will do this in 2025. We undergo a systemic evaluation through a curriculum process in response to the needs in the field, community, and labor market. The last review was done two years ago.

<u>Program Name</u>	<u>Description of Systematic Evaluation Plan</u>
University of Illinois BS	The College of Nursing Curriculum Committee evaluates a group of classes from every program with every course being evaluated every 2-3 years. Yearly Degree Program Assessment is completed at the University level.
University of Illinois MSN	The College of Nursing Curriculum Committee evaluates a group of classes from every program with every course being evaluated every 2-3 years. Yearly Degree Program Assessment is completed at the University level.
University of St. Francis College of Nursing BS	The systematic evaluation plan guides the nursing administrators and faculty to review and revise the current pre-licensure program curriculum. The plan includes evaluation methods, instruments/sources, responsible parties, timelines, benchmark/analysis, and actions. Data are collected from program outcomes assessment, exit survey, NCLEX pass rate, ATI exam results, end-of term course reports, course evaluation results, and clinical evaluation results, and these data are reviewed and analyzed by administrators and faculty at the college assessment meetings as scheduled in the evaluation plan.
Verve College PN	Curriculum is compared with the NCSBN test plan every year. Mapping of syllabus is done. Syllabus for each semester is reviewed to ensure that all resources are infused appropriately with the subject matters where they will be most effective.
Waubensee Community College ADN	Each course monitors outcomes and then we combine the data and use it with our end of the program outcomes.
Western Illinois University BS	The plan is based off of the AACN Essentials for BSN education, the nursing process and concepts for the NCLEX Client Needs model.
William Rainey Harper College ADN	Using qualitative and quantitative data, the faculty analyze the achievement of students learning outcomes at both the course and programmatic levels annually.
William Rainey Harper College PN	Using qualitative and quantitative data, the faculty analyze the achievement of students learning outcomes at both the course and programmatic levels annually.
